Agnew DIY Packs

Agnew Timber manufacture a range of quality wood products which are now available in convenient colour coded **DIY Packs**. Within this new and unique range you will find skirting boards, door frames, architraves and sheeting - all available in pre-finished and unfinished solid natural wood. These products are offered in handy shrink-wrapped packs for ease of selection and purchase.

The many benefits of off-the-shelf **Pre-Primed, Pre-Stained** and **Pre-Varnished** wood products are easily recognisable:

- shorter installation time, clean & quick
- minimal disruption to your working environment
- minimal dust creation

Designed for maximum convenience & choice

- All products are conveniently shrink-wrapped
- Choice of Redwood, Whitewood or Solid White Oak

AGNEW PRE-PRIMED WHITEWOOD

comes to you coated on three sides in a neutral off-white colour. The product is ready to receive its finishing top coat paint of either gloss or emulsion in a colour of your choosing.

AGNEW PRE-VARNISHED REDWOOD

comes ready-sanded and varnished for instant fitting. Harmful fumes from the application of chemicals such as lacquers are also eliminated.

AGNEW PRE-STAINED REDWOOD

comes ready-sanded and varnished with an application of wood staining for instant fitting. This product is finished with additional surface protection for durability and wear resistance.

AGNEW PRE-VARNISHED SOLID WHITE OAK

comes ready-sanded and varnished for instant fitting. Pre-Varnished solid timber delivers shorter installation time with the unique opportunity to reduce your costs.
